

SIMTAC CITY

Unified Command

Tabletop Tactics Simulation and Application Kit
 EMS, LE, Healthcare, EOC, School Campuses, & more

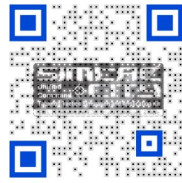

DMS-06030

Tabletop Training Evolved

No more whiteboards or sketchpads. With SimTac City® your department can now train Unified Command Response Tactics using an interactive and immersive experience. SimTac City® allows command and response elements the ability to rehearse and learn response tactics side-by-side in real time. Ideal for Fire/EMS Agencies, Law Enforcement, Healthcare Facilities, Emergency Operation Centers, School Campuses, & More. Tactical Add-On Set available for additional training features including Active Shooter/ Hostile Event Response (ASHER).

Key Features:

- ▶ Enhances Real-World Interoperability
- ▶ Digital App Included (Online & Mobile)
- ▶ Add Custom Tabletop Map of Your Location*
- ▶ Ability to Drop in Custom Locations into App
- ▶ Portable and Durable
- *Additional Fee Applies
