

Major Event Readiness Packages by DMS

Supporting Coordinated Response Across Agencies During NSSE & Large-Scale Public Events

From initial triage to command coordination and patient movement, these operational packages are designed to support every phase of a major event - providing the tools needed to prepare, respond, coordinate, and maintain accountability across complex incidents.

CORE VENUE KIT MAJOR EVENT READINESS PACKAGE

Essential tools for coordinated response, patient accountability, and command & control at any major event.

6-BAY TRIAGE RIBBON DISPENSER
DMS-05763
Rapid initial triage supports faster resource requests and improved operational coordination.

EMT3® GO-KIT
DMS-05778
Self-contained kit with forms, clipboards, and materials for each position. Allows for additional ICS positions in multiple areas.

INCIDENT COMMAND SYSTEM BOARD
DMS-05794
Organize and assign roles and maintain real-time situational awareness with the physical + digital command board.

13-POSITION EMT3® RAPID RESPONSE KIT
DMS-05002RD
Self-contained, rolling kit with vests, forms, and clipboards for each position.

IDEAL FOR: FIRE/EMS, LAW ENFORCEMENT, EOC/EMERGENCY MANAGEMENT, HOSPITALS & HEALTH SYSTEMS, UNIFIED COMMAND & MULTI-AGENCY TEAMS

DMS-06400
TRIAGETAGS.COM

Key Features:

- Supports Rapid Scene Organization at the Venue Level
- Enables Immediate Patient Categorization & Prioritization
- Establishes Treatment Areas for Ongoing Patient Management
- Available in START & SALT Configurations

Contents:

- DMS-05002RD EMT3® 13 Position Rapid Response Kit
- DMS-05763 6-Bay Triage Ribbon Dispenser
- DMS-05778 EMT3® Go-Kit
- DMS-05794 Generic ICS Command Board 36" x 24"
- DMS-06356 Digital ICS Command Board

MEDICAL SURGE KIT MAJOR EVENT READINESS PACKAGE

Supporting patient surge, treatment coordination, and operational continuity during large-scale events.

6-BAY TRIAGE RIBBON DISPENSER
DMS-05763
Rapid initial triage supports faster resource requests and improved operational coordination.

SRS® GO-KIT
DMS-05799
Self-contained kit with forms, clipboards, and materials for each position. Allows for additional HICS positions in multiple areas.

HICS COMMAND BOARD
DMS-05424
Organize and assign roles and maintain real-time situational awareness with the physical + digital command board.

8B1® RAPID RESPONSE KIT
DMS-05356XR-D
Self-contained, rolling kit with vests, forms, and clipboards for each position.

IDEAL FOR: EOC/EMERGENCY MANAGEMENT, HOSPITALS & HEALTH SYSTEMS, UNIFIED COMMAND & MULTI-AGENCY TEAMS

DMS-06401
TRIAGETAGS.COM

Key Features:

- Expands Patient Management Beyond the Incident Scene
- Self-Transport Patient Management
- Aligned with EMT3® System + HICS Principles
- Enhances Coordination & Interoperability Across Facilities

Contents:

- DMS-05356XR-D SRS® Rapid Response Kit
- DMS-05763 6-Bay Triage Ribbon Dispenser
- DMS-05799 SRS® Go-Kit
- DMS-05424 HICS Command Board Toolkit 36" x 24"
- DMS-06356 Digital HICS Command Board

UNIFIED OPERATIONS CENTER KIT MAJOR EVENT READINESS PACKAGE

Connecting venue operations, command staff, and accountability systems into a unified response framework.

EMERGENCY OPERATIONS CENTER COMMAND BOARD
DMS-05766
Organize and assign roles and maintain real-time situational awareness with the physical + digital command board.

EOC FLAG & VEST KIT
DMS-05300D
Provides personnel identification and geographic identification as set forth in National Incident Management System (NIMS).

FROM VENUE TO COMMAND CENTER
VENUE OPERATIONS: Triage, treatment, and on-site coordination.
UNIFIED COMMAND: Establish command structure, assign roles, and coordinate across agencies.

DESIGNED FOR: Multi-Venue Events, Multi-Operations, Unified Command, Emergency Operations Centers

IDEAL FOR: FIRE/EMS, LAW ENFORCEMENT, EOC/EMERGENCY MANAGEMENT, HOSPITALS & HEALTH SYSTEMS, UNIFIED COMMAND & MULTI-AGENCY TEAMS

DMS-06402
TRIAGETAGS.COM

Key Features:

- Supports Rapid Establishment of an On-Site Operations Center
- Establishes Unified Command & Coordination Structure
- Enhances Situational Awareness Across Operations
- Combines Physical and Digital Command Tools

Contents:

- DMS-05766 EOC Command Board 36" x 24"
- DMS-05300D EOC Flag & Vest Kit
- DMS-05766 Digital EOC Command Board

TRAINING & EXERCISE KIT MAJOR EVENT READINESS PACKAGE

Building readiness through training, exercises, and coordinated response planning.

SIMTAC CITY®
DMS-06030
Digital + Physical tabletop training platform with 5 integrated add-ons designed to strengthen unified command & pre-incident planning.

MCI READY + VESTS TRIAGE TRAINING KIT
DMS-05817D
Hands-on triage, treatment, and incident command training tools for realistic exercise scenarios.

DIGITAL VICTIM DECKS
DMS-06399
Interactive collect scenarios based on proven DMS victim decks.

IDEAL FOR: FIRE/EMS, LAW ENFORCEMENT, EOC/EMERGENCY MANAGEMENT, HOSPITALS & HEALTH SYSTEMS, UNIFIED COMMAND & MULTI-AGENCY TEAMS

DMS-06403
TRIAGETAGS.COM

Key Features:

- Supports Unified Command Training & Exercises
- Enhances Multi-Agency Coordination and Interoperability
- Facilitates Venue-Specific Pre-Incident Planning
- Reinforces Familiarity with Operational Systems and Procedures

Contents:

- DMS-05817D MCI Ready + Vests Triage Training Kit
- DMS-06030 SimTac City® Tabletop Training System + 5 Add-Ons
- DMS-06399 Digital Victim Deck Package (Over 200 Patient Cards)
- DMS-06356 3 Digital Command Boards (ICS, EOC + HICS)
