

DMS-05305

Area Command Vest Kit

An Expansion of the Incident Command Function

Area Command is established to oversee the management of multiple incidents or a very large, complex incident within a defined geographic area. It may be implemented whenever incidents are close enough to require strategic-level coordination, ensuring consistent objectives, efficient resource allocation, and the prevention of conflict among Incident Management Teams.

Kit Contents:

- 9 Vests with Responsibility Sheets & Clipboard
Choice of Dynamic or Window Vests
- Durable Carry Bag

Vest Positions Included:

Area Commander, Assistant Area Commander, Assistant Area Commander Logistics, Area Commander Critical Resource Unit, Area Commander Liaison Coordinator, Area Commander Aviation Coordinator, Assistant Area Commander Planning, Area Commander Situation Unit, Area Commander Information Officer

Key Features:

- ▶ ANSI Class 1 Vests
- ▶ One Size Fits Most
- ▶ Synthetic Nylon Vests
- ▶ High-Glow ANSI Reflective Stripes
- ▶ Quick Deployment of Positions

Kit Options:

DMS-05305D Dynamic Vests Included
DMS-05305W Window Vests Included
